Some of the most breath-taking views of any wine region can be found in El Dorado Wine Country. Our vineyards grow on elevations from 1200 to 3500, and support hundreds of microclimates perfect for a wide variety of grapes, and an amazing viewpoint. From sweeping vistas of the Sierra Nevada and the Crystal Mountain Range, to a tapestry of orchard covered hillsides and vineyards, the tasting rooms at these wineries make up the Room With A View tour. Be sure to bring a picnic lunch to enjoy (weather permitting)!
